

# Gallery

**Brockagh Resource Centre** is a modern, multi-purpose resource centre conveniently located at the heart of County Wicklow. The centre is exactly **one hour's drive from Dublin city** and the surrounding counties of Wexford, Carlow, Laois and Kildare. Its stunning location and comfortable facilities make it a popular choice of venue for concerts, theatre performances and conferences.

## **Brockagh Resource Centre**

facilitates the needs of its clients which includes home-baking and locally sourced food. The on-site kitchen has comfortable tea and coffee making facilities and also allows workshop participants to cater for themselves.

Phone/email us today for a quote on our best rates.

### Post Funeral Receptions:

We can offer a varied menu with a large or small area for the gathering of families and friends after the funeral. The centre has a large parking area and is within walking distance from the church.

### Children's Parties:

Are you looking for a big room for children's birthday party, to take away the hassle of having it in your own home? Plenty of room for children to run freely and have a great time, you can bring your own activities and decorate as you want. And if you want to hire a bouncy castle there is plenty of room.

### Main Hall

The large main hall with its superb stage has a seating capacity of 250. Apart from theatrical presentations, it is also used for workshops, conferences, functions, indoor sports and live music.

### Conference Room

Launch your conference in this spacious, professional and comfortably appointed environment that inspires a constructive and lively group discussion.

- Room layout to your specification
- Suitable up to 50 persons

### Exhibition Room

Exhibition Room is ideal for exhibitions, workshops, talks, meditation activities or yoga.

### Functions

The Mountain view room offers beautiful scenery overlooking the mountains and is perfect for smaller functions, catering for up to 70 guests. It is perfect for any intimate special occasion or corporate
